The Conciergerie
is a UNESCO
world heritage site

CONCIERGERIE

Wonderfully situated on the banks of the Seine, on the Ile de la Cité at the heart of Paris, the Conciergerie is a unique venue with exceptional gothic rooms built in the 14th century by King Philippe IV the Fair. In this period, the Conciergerie retained the Guardroom and the huge Men-At-Arms Hall. With the Holy Chapel they provide the most important evidence of the first Parisian royal palace.
